Translation:

Wushu can trace back to ancient times. It is a gem of the traditional Chinese culture. And it is now spreading to the rest of the world, and becomes the common wealth of mankind. The booming of Wushu is attributed not only to the attractiveness of the sport itself but also to the efforts of early emigrant Chinese Wushu masters. In the new period, Competitive Wushu, which has developed on the basis of Traditional Wushu, provides a new stage to popularize and improve Wushu.
